# MD.TAJUL ISLAM

## FONTEND DEVELOPER

### ABOUT ME

Hello! I'm Tajul Islam, a professional web developer with a passion for creating beautiful, responsive, and user-friendly web applications. I specialize in modern web technologies and love solving complex problems with simple, intuitive solutions.

### EXPERIENCE

#### Borcelle Studio

fontend developer

- I'm passionate about clean, responsive, and visually appealing web applications. With strong focus on user experience, I transform creative ideas into interactive digital solutions that work seamlessly across all devices.

#### Tajul Islam Portfolio

Personal Projects

- Developed multiple responsive and interactive web projects. Followed modern UI/UX principles and optimized for various devices. Built dynamic and user-friendly web applications using React, Tailwind CSS, JavaScript, and Vite.
